Leo Season

July 21-August 20

Energy: Outgoing, confident, charismatic, larger-than-life, passionate, creative, theatrical, regal, ambitious, persistent, courageous, encouraging, warm, generous.

Overall Focus: Coming out of our shells to passionately pursue our most exciting ideas. Trusting and going after what our heart wants in the moment.

Great Time For: Having fun, being playful, doing things out of joy and not obligation, sparking ideas, starting a passion project, putting out your creations, dating, romance.

Business & Personal Work

- Taking a break to do some creative brainstorming through playtime
- Asserting yourself as an authority figure
- Sharing testimonials and “proof” of your work
- Promoting and selling yourself by talking about what makes you special
- Taking center stage, performing for an audience
- Sharing content that’s motivating, inspiring, aspirational, and encouraging.
